

Dear Dr. Fred Bergmann,

We hope you enjoyed your stay in Bangkok and had a pleasant trip back home.

On behalf of the organizer of the congress 'Updated Implantology 2012', we would like to express our deep gratitude to you for the very interesting presentation. We believe all participants have substantially benefited from your presentation and it will be very helpful for their future practice in implant treatment.

We wish to take this opportunity to thank you for your kind participation and strongly hope that you can join us again in the future occasion.

Yours sincerely,

Dr.Rajapas Panichuttra
Congress Scientific Meeting Chairman

Dr.Thaweesak Suthatheerarat
President of TPDA
